

In the course of the water... 2 days hike with a donkey

Brionnais is a small discreet country in the heart of France, in the south of Burgundy. Often called the land of "green gold", the brionnais is also a country of water : One cheek resting on the Loire, draped in a luxurious grove, thread embroidered glittering rivers and canals, this is our land! So we suggest you to discover this fantastic land, following the big or small rivers and the canal ...
